

2017 Borrego Desert Garden Tour

9:00 a.m. - 3:00 p.m., March 18, 2017

NOTE
With very heavy traffic on Palm Canyon Drive and around Christmas Circle due to flower season traffic we recommend that Garden Tour visitors avoid those areas.

*Please use either Borrego Valley Road or Di Giorgio Road to cross from the south to the north side of town to visit El Alamo.

The Vintage RV Village has been removed from the tour for safety concerns. The flower bloom has caused historically high traffic levels on Palm Canyon Drive, and it is unsafe to stop or cross the roadway in this location.

Public Restrooms are available at Christmas Circle ● and the Chamber of Commerce ■

The 2017 Borrego Desert Garden Tour is a fundraising event of the 501(c)3 non profit Anza-Borrego Natural History Association P O BOX 310, Borrego Springs, CA 92004 WWW.ABDNHA.ORG 760-767-3098

To Julian

Garden Tour Visitors

Due to very heavy traffic coming in to Borrego Springs from the San Diego area because of the wildflower bloom, the Montezuma Grade has been very congested in recent days, with potentially long delays. Alternate routes into Borrego Springs from the west are shown on this map.

We suggest that you begin your Garden Tour in the south at the Pumpkin House.
